**OBAMA'S  
WASTEFUL SPENDING**  
FLIES IN THE FACE OF COMMON SENSE

Ever Seen Your Tax Dollars **FLY AWAY?** On April 27th, **THEY ACTUALLY DID.**

President Obama's White House spent \$328,835 to take a photo of Air Force One. The fly-by stunt rattled windows in New York City, and caused a panic around the former site of the World Trade Center. (Source: Bloomberg. April 28, 2009)

**People feared they were under attack. In a way, they were.**

President Obama has attacked our financial systems and wrecked the budget with irresponsible programs and wasteful pork projects. In just 100 days, he's spent us, our children and grandchildren into massive public debt.

**IT'S TIME TO FIGHT BACK.**

**JOIN STEWARD TODAY!**

**STEWARD** was formed by Nashua, New Hampshire resident Fred Tausch. Fred has been a lifelong saver, investor and entrepreneur. When government's answer to our economy turned to massive bailouts and nationalization, Fred organized a citizen's movement to demand discipline and restraint from our politicians.

**STEWARD of Prosperity** is a grassroots organization dedicated to holding politicians from both parties accountable to the taxpayers.

Thousands of hard-working citizens have endorsed STEWARD'S call to end a culture of bailouts and reckless spending in the name of "stimulus."
